## **Salute Santé! Grapeseed Oil**

in a unique stainless can - cutting edge industrial chic! Special recloseable screw top w/ built-in slow pouring spout for easy use. Great value refill can of the best quality grapeseed oil on the market - guaranteed by the Quality Logo to be 100% natural and solvent free. The highest smoke point (over 485°F) lets you sauté, fry or bake without smoking, slattering or burning; its half the saturated fat than olive oil resulting in deliciously light salad dressings that will not cloud when chilled which is ideal for prepared foods presentation; its fresh light taste brings out the flavor of the food; non greasy consistency. Dated for freshness; 100% light protective packaging guarantees 2 year shelf life. US studies have shown grapeseed oil may raise HDL significantly, a factor in the reduction of heart disease.
