***Salute Santé! Infused Grapeseed Oils -
Lemon, Basil, Rosemary, Roasted Garlic
and Chili – the Perfect Liquid Spice!
Dip, Drizzle and Marinate!***

January 10, 2017, Napa, CA – Award winning *Salute Santé!*® *Infused Grapeseed Oils* shine with delicious fresh flavors, making them ideal as “liquid spice” to dip, drizzle or marinate for all your cooking possibilities! The most requested flavors - basil, chili, lemon, roasted garlic, and rosemary - are made with only the highest quality grapeseed oil and infused with all organic ingredients, fresh herbs and spices without any artificial flavorings or food colors.

Salute Santé! Roasted Garlic Grapeseed Oil shines with delicious flavor and aroma. Marinate steaks and grill to perfection while sealing in the juices without burning!

The flavor and scent of *Salute Santé! Lemon Grapeseed Oil* is reminiscent of freshly squeezed lemonade! It’s perfect for grilling fish, and gives you a crispy crust while keeping the inside tender and moist. Drizzle it over salads and steamed vegetables for a citrus zing, or as a breakfast treat for citrus French toast.

Salute Santé! Basil Grapeseed Oil shines with the intense taste and scent of freshly cut basil. Infused with all-natural, fresh basil, it provides delicious flavor and aroma. Perfect drizzled over heirloom tomatoes and fresh mozzarella cheese, pasta, salads and vegetables.

Salute Santé! Chili Grapeseed Oil has a bold taste with a spicy after kick and delicious flavor. Try it for your morning scrambled eggs or to start any soup or stew to "warm-up" the flavors!

Salute Santé! Rosemary Grapeseed Oil shines with the intense taste and scent of freshly harvested rosemary. Infused with all-natural fresh rosemary picked in our garden, marinate lamb or chicken for a crispy crust; drizzle over fresh corn or sauté potatoes and leeks.

They are beautifully packaged in specially designed 97% UV filtered glass bottles, which protect the oil from the harmful effects of light. They are delicious by themselves as a dip for bread and as the new essential ingredient to enhance your favorite dishes. World class chefs have known for years the flavor carrying qualities of grapeseed oil, and their cuisine has set the standard. Now the home chef can enjoy the same ease and excellence by using *Salute Santé! Infused Grapeseed Oils*. Also available in food service packaging.

Food & Vine, Inc., is located at 68 Coombs Street, Suite I-2, in Napa, CA 94559.
